O R D E R

On January 3, 2006, Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) submitted proposed revisions to their tariffs. The tariff sheets containing the proposed revisions stated an effective date of July 1, 2004. KRS 278.180(1)¹ permits tariff revisions to become effective only upon 30 days’ notice to the Commission. As LG&E and KU failed to provide the required notice, their proposed revisions did not become effective. On August 15, 2006, LG&E and KU resubmitted the proposed revisions with an effective date of September 14, 2006.

The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed plan, and that such proceedings cannot be completed prior to the proposed effective date.

¹ KRS 278.180(1) provides in part: “[N]o change shall be made by any utility in any rate except upon thirty (30) days’ notice to the commission, stating plainly the changes proposed to be made and the time when the changed rates will go into effect.”

IT IS THEREFORE ORDERED that:

1. The proposed tariff is hereby suspended for 5 months from September 14, 2006, up to and including February 13, 2007.

2. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.

Done at Frankfort, Kentucky, this 13th day of September, 2006.

By the Commission
